SAGE RESOURCES

Web sites:
- Home Page: http://www.sagemath.org
- Wiki: http://wiki.sagemath.org
- Notebook Server: http://www.sagenb.org
- Alternate Notebook Server: http://sagenb.kaist.ac.kr
- Alternate Notebook Server: http://sage.milnix.org
- Bug Reporter: http://trac.sagemath.org/sage_trac

Some of these need an account.

Mailing/discussion lists (at Google Groups):
- **sage-support**: general support-type questions
- **sage-edu**: use of Sage in education
- **sage-devel**: hard-core development discussions
- **sage-nt**: Number Theory using Sage

There are a few other lists, but be forewarned: not all "sage" lists found at Google Groups are related to Sage as we know it.
